CENSUS

UTE TRIBE

UTAH AND CURY RESERVATION

UTAH AND CURY AGENCY

FORT DUCHESNE

UTAH

JANUARY 1, 1940.

INSTRUCTIONS

(A) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abict; Ball, Ball, Ball, Boll, Ball, Boll; Carley, Carley, Carlen, Carlen, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, Anson; Brown, Bill; Brown, Charles, Brown, David. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position.

Members of a family are to be listed in the following order: Head, first; wife, second; then children, whether sons or daughters, *in the order of their ages*; and lastly, all other relatives and persons living with the family who do not constitute another family group. Cross reference must be given for all names not listed in their proper alphabetical position.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of one family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, do not substitute the location where the Indian lives for the name of the Indian tribe.
6. DEGREE OF BLOOD.—Report exact degree of blood, as "F," for full blood, $\frac{3}{4}$, $\frac{1}{2}$, $\frac{1}{8}$, etc., as the case may be. Do not report as MIXED.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.

9. RESIDENCE.—

(a) At jurisdiction where enrolled:

1. Answer "Yes" or "No" in Column 10. The term jurisdiction includes all reservations and public-domain allotments under the Agency.
2. Enter county in Column 13.
3. Enter State in Column 14.

(b) Or at another jurisdiction:

1. Enter the name of jurisdiction in Column 11.
2. Enter county in Column 13.
3. Enter State in Column 14.

(c) Or elsewhere:

1. Enter post office, town, or village as shown in the United States Postal Guide, in Column 12.
2. Enter county in Column 13.
3. Enter State in Column 14.

10. WARD.—"Yes" or "No." Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation.

11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"A," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.
